Board Awards Contract for Lake Gregory Dog Park

SAN BERNARDINO – The planned Dog Park at Lake Gregory Regional Park in Crestline took a major step forward on Tuesday when the Board of Supervisors awarded a \$233,000 contract to develop the park.

The park will feature a fenced area where pooches can run leash-free. Trash receptacles and doggie “waste” bags will be provided at the park so dog owners can pick up after their pets. Water will also be available for pets and their owners.

“The Dog Park is going to be a great addition to the Crestline communities, and I’m positive it will get a lot of use because so many residents already walk their dogs on the trails around Lake Gregory,” San Bernardino County Board of Supervisors Chairman Paul Biane said.

In addition to the Dog Park at Lake Gregory, the construction contract awarded on Tuesday calls for replacing the chain-link fence by the Lake Gregory south beach entrance. The existing chain-link fence has deteriorated considerably over the years and is in need of replacement.

Construction is scheduled to begin in mid-December and should be completed by mid-June.
